**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition.

I choose a competitive provider that provides jobs locally and offers me a great price and product. I want more competition, not less so I can get the best rate. I say NO to price hikes that will increase the cost of internet and telephone services. Broadband is critical to me in order for me to conduct my personal financial, health, and professional business.
